If a band wishes to do Festival, they may do so, but realize Festival performances are early in the morning (usually 9am) We end about 8pm - 9pm after Competition Awards. Please decide on festival, competition, or both **BEFORE** registering ahead of time because cancellation of a festival performance causes many problems (beginning of the event, changing rooms, trophies, etc.).(Please highlight, copy, and paste to a Word document, adjust margin, and mail.)

Festival/Competition format (1-99 wind and percussion performers on the field).
Larger bands may enter for Festival Only (99 or more wind and percussion performing on the field)

Classification (PIT and GUARD NOT INCLUDED)

Determined by total number of Wind and Percussion players **ON THE FIELD**. In the past there were only 3 classes for competition....now there are 4 (possibly 5 if there are a large number of bands in a single classification)

A	= up to 35 winds and percussion
AA	= 36 – 50 winds and percussion.

[AAAAA]	= 99 or more winds and percussion [FESTIVAL ONLY...NOT COMPETITION]
